Environmental Justice Data Fund 2022 Application

Thank you for your interest in applying to the Environmental Justice Data Fund (EJDF or “the Fund”). Below, you will find proposal questions that the Fund will use to determine applicants’ eligibility and alignment with the purpose of this grant program. Submissions will be accepted on a rolling basis from April 25 through September 16, 2022.

Please provide clear, candid, and concise answers to the questions in the fields below. Your responses do not have a word limit; however, we encourage you to write no more than one to two paragraphs per question and 500–750 words for the project overview. Questions marked with an “*” are required.

The EJDF advisory board will review this grant proposal, with administrative support from Arabella Advisors. You can expect to hear back from us within one to three months of your submission. Grant periods will be subject to review and confirmed in subsequent grant agreements. Reporting requirements for this grant include a brief annual narrative report.

We look forward to reviewing your applications to use data to achieve meaningful impact in the field of environmental justice.

Please reach out to the EJDF team at ejdatafund@windwardfund.org with any questions.

* Required

1. Email *

Contact Information

2. Please list your organization’s legally registered name (if you have a fiscal sponsor, list their name here). *

3. If fiscally sponsored, list project name here.

Project Overview

Please describe your proposed project as it relates to the intersection of data and environmental justice, as well as how your organization will utilize funds. (Suggested length is 500–750 words. We encourage you to repurpose other funder proposals or written materials for this question if you have them available.) In your narrative, please respond to the following questions:

- What are the project’s goals and objectives during the grant period?
- What activities will you undertake to advance your goal(s) during the grant period? If available, please include quantifiable outputs/results that you expect to achieve by the end of the grant period.
- What does community involvement and accountability look like in this project? (Who is involved in decision-making for this project, or whose voice will be included in decisions? Who will not be involved?)
- What change and ultimate impact will occur as a result of your efforts?
- What progress have you made to date on this project, if any?
- Does your project involve collaboration with other organizations or stakeholders? If so, please name them and describe the roles they will play.

Note: If using other funder proposals or written materials, please send materials to ejdatafund@windwardfund.org with the subject line "[Org Name] 2022 EJDF Project Overview" and enter "Materials sent to email" in the following question.

22. Please enter your response below. *
